

CHANGE THE WAY FINANCE WORKS

CFO INSIGHTS NEWSLETTER

"No one said the future of work was going to be easy. It's about achieving the right balance, understanding where, and how, we are going to work."

– **"People, Technologies and the Future of Work in Finance"**

Featured Thought Leadership

2023 Audit Committee Agenda

The 2023 audit committee agenda includes enterprise, process and technology issues and financial reporting and disclosure issues. Offering questions for audit committees to consider when self-assessing their own performance with respect to executing the normal ongoing activities articulated in the committee charter.
