

Overview

Protiviti (<http://www.protiviti.com>) is a global consulting firm that helps clients transform and protect their businesses, and respond to planned and unexpected events. Through a network of more than 90 offices in over 25 countries, Protiviti and its independent and locally owned member firms deliver deep expertise and tailored capabilities across technology, artificial intelligence, data, operations, finance, legal, compliance, EHR, marketing, digital, risk, and internal audit—enabling organizations to accelerate innovation, navigate risks and safeguard what matters most.

Protiviti has served more than 80 percent of Fortune 100 and nearly 80 percent of Fortune 500 companies. The firm also works with smaller, growing companies, including those looking to go public, and government agencies.

Named to the *Fortune 100 Best Companies to Work For*® list since 2015, Protiviti Inc. is frequently recognized with industry and “Best Places to Work” *accolades*. The firm is a wholly owned subsidiary of *Robert Half Inc.* (NYSE: RHI).

Through its risk management and internal audit heritage, Protiviti has gained unique perspectives on the challenges faced by its clients. The firm uses these perspectives not only to solve regulatory, risk and compliance problems, but also to help clients become more agile, innovative, effective and productive. Protiviti collaborates with clients to solve critical problems, in the following areas:

Capabilities

AI & Emerging Technologies	Capital Projects	Change Enablement

History

Protiviti launched in May 2002 when Robert Half reached an employment agreement with Arthur Andersen LLP to hire approximately 700 professionals from the firm’s U.S. internal audit and business risk consulting practices. (These practices operated separately from Andersen’s external audit and attestation services.)
